

Aug 22 - 24
LIFE2017 LANDMARK
HOUSTON INNOVATION
FORUM & EXPO

Dear Colleague,

We would like to personally invite you to attend a hands-on workshop at this year's Landmark Innovation Forum & Expo (LIFE), the premier E&P business and technology event that will be held August 22–24 in Houston, Texas.

This year, we are offering the following workshop for students only:

“Frontier Basin Exploration: Bringing Old Data to Life”

Date: Thursday, August 24 **Time:** 2:30 p.m. – 4:00 p.m.

Subject matter experts and technology advisors will lead this collaborative, hands-on session, which will enable you to experience Landmark's latest innovations. Attendance for this workshop is limited to 15 people. Participation will be allowed on a first-come, first-served basis, so confirm your reservation now! If this workshop reaches full capacity, we will add your name to a waiting list.

To accept your exclusive invitation to this limited-attendance workshop, please confirm your attendance to Khalisa.Siahaan@halliburton.com.

If you have not already registered to attend this year's LIFE, visit www.Landmark.Solutions/LIFE2017 to confirm your attendance today. When you register, be sure to register for **DAY 3**.

Finally, please know that we have built a **mobile app** for LIFE 2017, which has all the important information you will need to build your agenda, and to be aware of the latest updates. We will be sending you instructions on how to download the mobile app for LIFE.

We look forward to seeing you there!

Sincerely,

Rosa Martínez
Global Services Geoscience Practice Manager
